

1. Colour all elements then cut out the tail.

2. Fold in half and cut the back line which allows the fin to be inserted.

3. Cut out the two smaller fins, use the glue dots or tape provided to stick them together creating one double sided fin.

\*Do not glue to base of the fin together this will need to be bent and separated in the next step.

4. Insert the fin into the tale, separate the base/ bottom of the fin and use glue dots and secure in place.

5. Cut out all of the other elements you want to include on your headdress and use tape or glue dots to secure using the instruction sheets as a guide.

6. Fold the instruction sheet in half (length ways) and cut along the fold. Fold each piece in half again twice and attache to either end of the headdress using tape or glue dots to create the head band.

7. Size accordingly and wear with pride.
